

Kenonia (Friday) Service Schedule for December & January Lord willing **(Middle and High School)**

In preparation of His Grace Bishop David's visit to our church on February 9 – 11, 2018 Lord willing and the anticipated ordination and elevation of deacons during His Grace's visit, we will be focusing a bit more on hymns over the months of December and January Lord willing. We will be alternating between one week focused on hymns (along with a 15- minute explanation of part of the liturgy) and one week focused on a topic (with a 15-minute short hymn lesson). For the weeks focused on hymns, middle and high school would be combined.
