Tournament Design:

At the beginning of each league, the name of one church will be drawn at random from among the five names. The selected team will automatically make it to the final round of the tournament. For the remaining four teams, based on random draws, the names of another two teams will be selected; these two teams will play against one another. A second game will be played between the two remaining teams. The winners from those two games, along with the church whose name was selected at the very beginning will make it to the second round. For the second round, each church will play against the two other churches who made it to the second round. Based on the results from those games, the first, second and third winners will be determined.

Christian Sports Code

As a player, coach, cheerleader, or fan: I will...Remember that sports, and the ability to participate in them, like everything else in life, are gifts from God.

- Play hard, but fairly, according to the rules of the game.
- Consider opponents and officials as friends and neighbors, and treat them with due courtesy and respect.
- Applaud teammates and opponents who make good plays or demonstrate good sportsmanship.
- Accept the decisions of officials respectfully, recognizing that they have a difficult job and are doing their best to uphold the rules fairly.
- Win without boasting and lose without excuse or complaint.
- Never hiss or boo players or officials.
- Never use profanity, racist or sexist comments, or other intimidating actions.
- Do unto others, as I would have them do unto me.
- Seek to glorify a gracious God rather than be glorified.
- Thank and praise God for the gifts of health, talent, and the opportunity to take part in a sport.

Celebrate every opportunity to participate in sports as a chance to learn and to grow in Christian maturity
